Academic History

Colleges and Universities

Beginning with the most recent school, list in reverse chronological order ALL colleges and universities attended (even if no credit was awarded) and all institutions from which any credit has been awarded (even if the credit is indicated on subsequent institution's transcript as transfer credit). Omission of ANY institution could result in denial of admission or expulsion from the program. A copy of an unofficial transcript from each institution must be submitted with your application.

Institution	Location	Begin and end date of attendance	
Major	Science hours/GPA	Non-Science Hours/GPA	Degree/date

Institution	Location	Begin and end date of attendance	
Major	Science hours/GPA	Non-Science Hours/GPA	Degree/date

Personal Essay

Write a brief autobiography including the factors influencing you to apply to the Blood Bank Technology Program. Provide a summary of your educational, employment, or other experiences that indicate your ability to successfully complete the online program including reading and writing assignments at the college graduate level. Also include information regarding goals after completing the program. Use this page or attach separate document to this application. (Minimum of 1 page, maximum of 2 pages)

Letters of Recommendation

You are required to have three professional letters of recommendation. BSI employees must have two of the recommendation letters from your supervisor and Executive Director, BSL Director of Operations or CO/BioCARE/BSRI VP. The third letter may be from any professional associate. All other applicants must have one recommendation letter from your supervisor or manager and the others from colleagues or associates. The Confidential Recommendation Form must be used and can be obtained from Tina Gross at BSL Tempe or found on the BSL website under Blood Bank Technology Program link.

Send the application, copy of college transcripts and recommendation letters to:
